Subject: RE: Question about Whatcom Water District

Thank you for contacting the Lake Whatcom Water & Sewer District. Lake Whatcom Water and Sewer District provides water service to approximately 3,436 residential customers and sewer service to approximately 3,744 residential customers in an 18 square mile area encompassing Lake Whatcom. The District is operated by 18 full time staff persons, a five-member Board of Commissioners, and has an annual operations and maintenance budget of about \$5 million dollars.

Thanks,

Rachael Hope | **Administrative Assistant**

Subject: Question about Whatcom Water District

Dear Sir/Madam:

I did a quick check of your web site and could not find the answer to my question. How many residences and businesses are serviced in this water district?

Thank you for supplying this information
